

**PUBLICATIONS OF THE UNESCO CHAIR
2019 - 2023**

1. Skolubovich Yu.L., Boyko O.A., Zerkal S.M. / Computer Modeling Study of the Natural and Polluted Waters Purification Process Using Filtration Technology Through Suspended Layer of Contact Mass // Innovations in life. International scientific journal №1(28), 2019, pp.6-15
2. Skolubovich Yu.L., Voitov E.L., Tsyba A.A. / Surface Runoff Treatment // Water Supply and Sanitary Engineering, No. 4, 2019, p.68-74
3. Skolubovich Yu.L. , Bik Y., Soppa M., Molodin V., Yanenko A. / Current issue of hydrotechnical structures calculation // E3S Web of Conferences Volume 138 (2019) International Scientific Conference "Construction and Architecture: Theory and Practice for the Innovation Development" (16 December 2019) № 01005
4. Skolubovich Yu.L., Chirkunov Yu.A. / Movement of liquid or gas in porous medium in the presence of a non-stationary singular source // News of Higher Educational Institutions. Construction. 2019. No. 9.pp.60-71
5. Skolubovich Yu.L., Boyko O.A., Zerkal S.M. / Computer Modeling Study of Natural And Polluted Waters Purification Process Using the Technology of Suspended Layer of Contact Mass // Innovations in Life. 2019. No. 1 (28). pp. 6-14.
6. Skolubovich Yu.L., Soppa M.S., Zerkal S.M., Sineeva N.V., Belkin A.A. / Modes of Self-Oscillations in the Fluidized Bed of Contact Mass of the Reactor Clarifier // News of Higher Educational Institutions. Construction. 2019. No. 6 (726). pp. 34-41
7. Skolubovich Yu.L. , Voitov E.L., Soppa M.S., Chirkunov Yu.F., Zerkal S.M., Belkin A.A. / Study oh the Water Purification Processes In Expanded Layer of Filter Media // News of Higher Educational Institutions. Construction - 2019. - No. 7. - P. 60-68
8. Skolubovich Yu.L., Voitov, E.L., Khalturina T.I., Tretyakov S.G., Churbakova O.V. / Combined Treatment of Wastewater Containing Emulsified Petroleum Products Under the Influence of Ultrasound, Electrocoagulation and the Use of Asymmetric Current // News of Higher Educational Institutions. Construction. - 2019. - No. 3. - P. 75-85
9. Skolubovich Yu.L., Voitov, E.L., Tsyba A.A., Balchugov D.V., Kamaletinov A.R. / Purification of Storm Water from Industrial Enterprises' Territory // Water Supply and Sanitary Engineering. - 2019. - No. 9/1. – pp. 61-68
10. Skolubovich Yu.L., Tsyba A.A., Voytov E.L., / Storm Sewage Purification from Coal Industry Enterprises // Environmental, Industrial and Energy Security - 2019: Collection of Articles Based on the Materials of the International Scientific and Practical Conference 23 - September 26, 2019 - Sevastopol: SevGU, 2019. - S. 1731-1734.
11. Skolubovich Yu.L., Tsyba A.A., Voitov E.L. / Surface Wastewater Purification from Industry Enterprises' Territories // In The Collection: Water Resources - The Basis for Sustainable Development of Settlements in Siberia and the Arctic in the XXI century Collection of reports of the XXI International Scientific and Practical Conference. 2019. S. 268-272.
12. Skolubovich Yu.L., Voitov, E.L., Tsyba A.A., Razuvaeva K.I., Belonogov D.E. / Purification and Utilization of Surface Water from Industrial Enterprises' Territories // Economics of Construction and Environmental Management 2019. - No. 2 (71). – pp. 60-66

13. Skolubovich Yu.L. , Chirkunov Yu. A. / Investigation of Nonlinear Three-Dimensional Diffusion Model of Porous Medium// Journal of Physics: Conference Series. 2019.V. 1268. 012074. 7 p.
14. Skolubovich Yu.L., Chirkunov Yu. A. / Movement of Liquid or Gas in Porous Medium in the Presence of Source or Absorption // XIX All-Russian School-Seminar "Modern Problems of Aerohydrodynamics", Dedicated to the 60th Anniversary of the Research Institute of Mechanics of Moscow State University Named After M.V. Lomonosov. September 05 – 15, 2019. Sochi. "Petrel" MSU. Russia. P. 108.
15. Skolubovich Yu.L., Skolubovich A.Y., Volkov D.D., Krasnova T.A., Gogina E.S. / Mathematical model of environmental waters purification // Innovative Technologies in Environmental Science and Education — ITESE-2019
16. Skolubovich Yu.L., Voitov, E.,Y., Kravchenko, V., Khalturina, T., Skolubovich, A. / Research of waste water biological treatment in filter grain loads // IOP Conference Series: Earth and Environmental Science, 2019, 403(1), 012165
17. Skolubovich Yu.L., Khalturina T., Churbakova O., Voitov E., Balchugov D. / Application of Asymmetric Current for Electrocoagulation Treatment of Oil-Containing Waste Water // Innovative Technologies in Environmental Science and Education — ITESE-2019
18. Skolubovich Yu.L., Khalturina T., Churbakova O., Voitov E., Tsyba A. / Sludge Conditioning of Oil Emulsion Wastewater Process by Heat Treatment Using Low Temperatures in Siberia // Innovative Technologies in Environmental Science and Education — ITESE-2019
19. Skolubovich Yu.L., Voitov E., Kravchenko V., Khalturina T. / Tertiary Wastewater Treatment Using Bioreactors-Clarifiers // Innovative Technologies in Environmental Science and Education — ITESE-2019
20. Skolubovich Yu.L., Il'ina L.V, Rakov M. A. / Aerated concrete, obtained by joint grinding of components // IOP Conference Series: Materials Science and Engineering 2018.C.012-044
21. Skolubovich Yu.L., Skolubovich A., Voitov E., Makarikhina I. / Technology of drinking water preparation using the reactor – Clarifier// E3S Web Conf. Topical Problems of Architecture, Civil Engineering and Environmental Economics (TPACEE 2018) / -2019.- Vol. 91.- P.1-5
22. Skolubovich Yu.L. , Chirkunov Yu.A. / Study of Nonlinear Three-Dimensional Diffusion the Model of Porous Medium // All-Russian Conference and School for Young Scientists Dedicated to the 100th Anniversary of Academician L.V. Ovsyannikov "Mathematical Problems of Continuum Mechanics". May 13 – 17, 2019, Novosibirsk: Institute of Hydrodynamics Named after V.I. M. A. Lavrentiev SB RAS. S. 234.
23. Skolubovich Yu.L., Chirkunov Yu.A. / Invariant Submodels and Exact Solutions of the Model of Fluid or Gas Motion in Porous Medium in the Presence of Non-Stationary Absorption or Source // Nineteenth International School-Seminar: Models and Methods of Aerodynamics. Evpatoria. Moscow. 04–11.06. 2019, pp. 129 – 131.
24. Skolubovich Yu.L., Chirkunov Yu. A. / A nonlinear model of the motion of a liquid or gas in a porous medium in the presence of a source or absorption with maximum symmetry // Marchuk Scientific Readings - 2019. International Conference "Actual Problems of Computational and Applied Mathematics". ICM&MG SB RAS. July 01 – 05, 2019. Academgorodok, Novosibirsk, Russia. pp. 79 - 80.
25. Skolubovich Yu.L., Chirkunov Yu. A. / Motion of Liquid or Gas in Porous Medium in the Presence of Source or Absorption // "Mathematics in Applications". International conference in honor of the 90th anniversary of S.K. Godunov. IM SB RAS. August 04-10, 2019. Academgorodok, Novosibirsk, Russia. P. 253.

26. Skolubovich Yu.L., Skolubovich A.Y., Volkov D.D., Krasnova T.A., Gogina E.S. / Mathematical model of environmental waters purification // Conference Series. electronic collection. 2020. C. 012136.
27. Skolubovich Yu.L. , Voitov E.L., Tsyba A.A., Balchugov D.V., Belonogov D.E. / Technology of Treatment and Disposal of Surface Wastewater and Sediments // Academia. Architecture and construction. 2020. No. 1. P. 131-137.
28. Skolubovich Yu.L., Chirkunov Yu. A. / Generalization of the One-Dimensional Leibenson Model of Liquid Or Gas in Porous Medium in the Presence of Non-Stationary Singular Source // Abstracts of the X All-Russian Conference with International Participation, Dedicated to the Memory of Academician A.F. Sidorov and the 100th Anniversary of the Ural Federal University. Yekaterinburg, 2020. P. 4-5
29. Skolubovich Yu.L., Voitov E.L., Tsyba A.A., Balchugov D.V., Monakhov D.N. / Preparation of Surface and Groundwater for Drinking Water Supply of Settlements in the Arctic Zone // Academia. Architecture and Construction. 2020. No. 3. S. 138-142.
30. Skolubovich Yu.L., Voitov E.L., Tsyba A.A., Balchugov D.V., Suraev I.M. / Purification and Reuse of Water From Wastewater Treatment Plants // Fundamental, Exploratory and Applied Research of the Russian Academy of Architecture and Building Sciences on Scientific Support for the Development of Architecture, Urban Planning and the Construction Industry of the Russian Federation in 2019. Collection of scientific papers RAASN. Russian Academy of Architecture and Building Sciences. Moscow, 2020, pp. 413-417.
31. Skolubovich Yu.L., Soppa M.S., Chirkunov Yu.A., Zerkal S.M. / Mathematical Modeling of the Filtration Process of Aqueous Solution In Expanded Layer of Loading // News of Higher Educational Institutions. Construction, 2020 №4
32. Skolubovich Yu.L., Kurilina T.A., Pazenko T.Ya., Voitov E.L. / Comprehensive Microanalysis of the Sewage Sludge Composition Containing Heavy Metal Ions // News of Higher Educational Institutions. Construction, 2020 №5
33. Skolubovich Yu.L., Kurilina T.A., Pazenko T.Ya., Voitov E.L. / Comprehensive Microanalysis of the Sewage Sludge Composition Containing Heavy Metal Ions // News of Higher Educational Institutions. Construction, 2020 №6
34. Skolubovich Yu.L., Krasnova T.A., Golubeva N.S., Volkov D.D., Gora N.V. / kinetics of Organic Compound Adsorption on Carbon Sorbents / // IOP Conference Series: Materials Science and Engineering, Vol. 953 (2020).
35. Skolubovich Yu.L., Y., Voitov, E., Tsyba, A., Balchugov, D., Belonogov, D. / Treatment and Disposal of Surface Wastewater and Sludge // IOP Conference Series: Materials Science and Engineering, 2020, 953(1), 012020
36. Skolubovich Yu.L., Voitov, E., Tsybai, A., Balchugov, D., Belonogov, D. / Drinking Water Preparation for Water Supply of Villages in the Arctic Region // IOP Conference Series: Materials Science and Engineering, 2020, 953(1), 012021
37. Skolubovich Yu.L., Krasnova T.A., Volkov D.D., Timoshchuk I.V., Gorelkina A.K. / Study of Disinfectant Type Effect on the Organohalogen Compounds Formation in Water Treatment // IOP Conference Series: Materials Science and Engineering, Vol. 953 (2020).
38. Skolubovich Yu.L., Kurilina T.A., Pazenko T.Ya., Voitov E.L. / Integrated Microanalysis of Sediment Composition Waste Water With Heavy Metals Ions // IOP Conference Series: Materials Science and Engineering, Vol. 953 (2020)
39. Skolubovich Yu.L., Chirkunov Yu. A. / Mathematical Models of Filtering in Extended Loading Layer/ // IOP Conference Series: Materials Science and Engineering (MSE).

40. Skolubovich Yu.L., Chirkunov Yu.A. / Submodels of Two-Dimensional Motion of Liquid or Gas in Porous Medium in Presence of Non-Stationary Source or Absorption // News of Higher Educational Institutions. Construction. 2020.
41. Skolubovich Yu.L., Tsyba A.A., Pupyrev E.I., Ponomarenko A.M., Volkov D.D. / Ecologically Safe Technology of Surface Wastewater Treatment from the Territories of Industrial Enterprises // Water Supply and Sanitary Engineering. 2021 № 1. pp. 66-72.
42. Skolubovich Yu.L., Voitov E.L., Tsyba A.A. / Treatment and Disposal of Surface Wastewater // ISBN: 978-5-4323-0363-9; Publisher: ASV; Moscow; Pp. 108, 2021 - 108.
43. Skolubovich Yu.L., Chirkunov Yu.A., Peshkov V.V. / On the Use Of Powerful Ultrasonic Beams for Cleaning Equipment Used in Water Filtration // News of Higher Educational Institutions. Construction 2021. No. 7 (751). pp. 114-121.
44. Skolubovich Yu.L., Chirkunov Yu.A., Peshkov V.V. / Self-Similar Filtering in the Extended Loading Layer in the Presence of Non-Stationary Singular Source or Absorption. News of Higher Educational Institutions. Construction. 2021. No. 7 (751). pp. 75-81.
45. Skolubovich Yu.L., Voitov E.L., Shevtsov M.N. / Technology of Preparing Drinking Water from an Underground Source // . - 2022. - No. 1. - P. 244-248.
46. Skolubovich Yu.L., Primino. G., Gogina E. S. / Problems of Engineering Systems of Water Use and Scientific Research on their Solution // Water Supply and Sanitary Engineering. - 2023. - No. 1. - S. 6-10.
47. Sineeva N. V., I. Makarikhina, A. Vysokih / Ecological state of the floodplain-channel complexes of small rivers in Novosibirsk // E3S Web of Conferences 91, 07018 (2019). – 2019
48. Sineeva N.V., Vysokikh A.V. / Analysis of the Ecological Tension of Floodplain-Channel Complexes of Small Rivers in Urban Areas (on the example of Novosibirsk) // Environmental, industrial and energy security - 2019. Collection of articles based on the materials of the international scientific and practical conference. Edited by L.I. Lukina, N.V. Lyamina. 2019. - P. 407-411
49. Sineeva N. V. / The features of small rivers monitoring in the Russian cities (on the example of the Novosibirsk city) // IOP Conference Series: Materials Science and Engineering. XIII International Scientific Conference Architecture and Construction 2020. BRISTOL, 2020. – C. 012024.
50. Sineeva N. V. / Environmental optimization activities depending on the stress of urbanized floodplain-channel small rivers' complexes // IOP Conference Series: Materials Science and Engineering. XIII International Scientific Conference Architecture and Construction 2020. BRISTOL, 2020. P. 012023.
51. Sineeva N. V. / Youth environmental projects as an implementation method of environmental diplomacy // Actual issues of architecture and construction. Proceedings of the XIII International Scientific and Technical Conference. 2020. - S. 356-359.
52. Sineeva N.V., Sidorova M.Yu. / Retrospective Analysis of Nature of Floodplain-Channel Complexes Development of the Rivers in Novosibirsk // Science and society. Materials of the XIII All-Russian scientific-practical conference with international participation. Managing editor E.L. Sorokin. 2020. -P. 188-192.
53. Sineeva N.V., Skolubovich Yu.L. / Environmental Youth Projects as a Tool for Environmental Education for Sustainable Development // Interaction of the UNESCO Chairs for the purpose of strategic planning and sustainable development. Videoconference materials. St. Petersburg - 2020. - P. 115-117.
54. Sineeva N. V. / Some aspects of sustainable urban planning using environmental solutions // IOP Conference Series: Earth and Environmental Science. Cep. "Fundamental and Applied Scientific Research in the Development of Agriculture in the Far East, AFE 2021 - Papers" 2021. C. 042024

55. Sineeva N.V. / Scientific and Educational Paradigm of Teaching Undergraduates of the UNESCO Chair in the Context of Sustainable Development on the Example of NSUACE (Sibstrin) // Interaction of the UNESCO Chairs for the purpose of strategic planning and sustainable development. Videoconference materials. - St. Petersburg - 2022.
56. Sineeva N.V., Potselueva V.A. / Increasing the Recreational Potential of Water Bodies in the City of Novosibirsk (Lake Verkhovoe, quarries Radio Station, Lastochkin) // Proceedings of NSUACE (Sibstrin) - Novosibirsk, 2022
57. Sineeva N.V., Ananich M.I. / Management Competencies in the ESG Economy // Materials of the school "ECOPOLIS" "Green Campus of the University as a Center of Green Sustainable Development". - Novosibirsk, 2022. - P. 40-47
58. Sineeva N.V. / Features of the International Activities on the Universities in the Novosibirsk Region In Modern Conditions // Proceedings of NSUACE (Sibstrin) (based on the results of the interuniversity scientific and methodological conference with international participation "Modern technologies for teaching foreign languages and Russian as a foreign language") - Novosibirsk, 2023
59. G. T. Ambrosova, A. V. Kruglikova, A. P. Kolodeznikova, A. P. Semenova / Analysis of Designs of Compact Wastewater Treatment Plants // Water and Ecology. – 2021. – No. 3(87). – P. 3-15.
60. Kruglikova A. V., Ambrosova G. T., Rafalskaya T. A. / Processes of Heat and Mass Transfer Between Waste Liquid and the Environment // Construction and technogenic safety. - 2021. - No. 23(75). – pp. 59-66.
61. Ambrosova G. T., Kruglikova A. V., Mansurov R. Sh. [et al.] / Influence of Natural and Climatic Factors on the Efficiency of Open Sewage Treatment Facilities // Water supply and sanitary engineering. - 2019. - No. 4. - P. 48-59.
62. Ambrosova G. T., Matyushenko E. N., Startseva A. A. / Patent No. 2686908 C1 Russian Federation, IPC C02F 9/14, C02F 1/58, C02F 1/74. Method for Removing Phosphorus from Wastewater With Sea Water: No. 2018117106: Appl. 05/07/2018 : publ. 05/06/2019; applicant Federal State Budgetary Educational Institution of Higher Education Novosibirsk State University of Architecture and Civil Engineering (Sibstrin).
63. Salnikov, E. E. Inspection of Sewage Treatment Facilities Of The Village / E. E. Salnikov, G. T. Ambrosova // Modern problems of water supply and sanitation: Collection of materials of the interuniversity scientific and practical conference, St. Petersburg, December 01–03, 2021 year / St. Petersburg State University of Architecture and Civil Engineering. - St. Petersburg: St. Petersburg State University, 2022. - Pp. 124-128.
64. Chizhikova, E. K. Obtaining Organomineral Fertilizer from Sewage Sludge / E. K. Chizhikova, G. T. Ambrosova // Modern problems of water supply and sanitation: Collection of materials of the interuniversity scientific and practical conference, St. Petersburg, 01–03 December 2021 / St. Petersburg State University of Architecture and Civil Engineering. - St. Petersburg: St. Petersburg State University, 2022. - P. 144-150.
65. Kruglikova, A. V. Influence of the Climatic Conditions of Siberia on the Sewage Treatment Plants Operation / A. V. Kruglikova, G. T. Ambrosova // Actual Issues of Construction: a look into the future: Collection of scientific articles based on the materials of the All-Russian Scientific and Practical Conference, dedicated to the 40th anniversary of the Civil Engineering Institute, Krasnoyarsk, October 19–21, 2022. - Krasnoyarsk: Siberian Federal University, 2022. - P. 403-406.
66. Trukhina, M. S., Ukolova K. I., Ambrosova G. T. Purification of Highly Concentrated Effluents from Dairy Industry Enterprises // Intellectual potential of Siberia: 30th Regional scientific student conference. Conference materials: in 4 parts, Novosibirsk, May 23–27, 2022. Volume Part 3. - Novosibirsk: Novosibirsk State Technical University, 2022. - P. 332-335

67. Ibragimov, D. I. Wastewater Treatment Technology of the City of Tarko-Sale, Yamalo-Nenets Autonomous Okrug / D. I. Ibragimov, P. Z. Khakimov, G. T. Ambrosova // Intellectual potential of Siberia: 30th Regional Scientific student conference. Conference materials: in 4 parts, Novosibirsk, May 23–27, 2022. Volume Part 3. - Novosibirsk: Novosibirsk State Technical University, 2022. - P. 335-338.
68. Trukhina, M. S. Purification of Highly Concentrated Effluents from Dairy Industry Enterprises / M. S. Trukhina, K. I. Ukolova, G. T. Ambrosova // Intellectual potential of Siberia: materials of the 30th Regional scientific student conference: in 4 parts , Novosibirsk, May 23–27, 2022. Volume Part 4. - Novosibirsk: Novosibirsk State Technical University, 2022. - P. 482-486.
69. Ambrosova, G. T. The Drainage System of the City of Nyurba of the Republic of Sakha (Yakutia) / G. T. Ambrosova, M. O. Vasilyeva, M. V. Vasiliev // . - 2022. - No. 1. - P. 206-211.
70. Ambrosova, G. T. Treatment of Highly Concentrated Waste Liquid / G. T. Ambrosova, K. I. Ukolova // . - 2022. - No. 1. - P. 216-222.
71. Salnikov, E. E. Sewage Treatment Facilities for the Working Settlement "Suzun" / E. E. Salnikov, A. A. Kolesnikova, G. T. Ambrosova // Intellectual potential of Siberia: Collection of scientific papers of the 29th Regional scientific student conference dedicated to the Year of Science and Technology in Russia. In 5 parts, Novosibirsk, May 17–21, 2021 / Edited by D.O. Sokolova. Volume Part 3. - Novosibirsk: Novosibirsk State Technical University, 2021. - Pp. 258-260.
72. Sherboev, T. T. Composting of Sludge From Sewage Treatment Plants / T. T. Sherboev, E. K. Aganicheva, G. T. Ambrosova // Intellectual potential of Siberia: Collection of scientific papers of the 29th Regional scientific student conference dedicated to the Year Science And Technology in Russia. In 5 parts, Novosibirsk, May 17–21, 2021 / Edited by D.O. Sokolova. Volume Part 3. - Novosibirsk: Novosibirsk State Technical University, 2021. - Pp. 268-271 .
73. Kolesnikova, A. A. Treatment of Highly Concentrated Effluents from Food Enterprises Under Anaerobic Conditions / A. A. Kolesnikova, E. E. Salnikov, G. T. Ambrosova // Intellectual potential of Siberia: conference proceedings, Novosibirsk, May 17–21, 2021 year / Edited by Sokolova D.O.. Volume Part 4. - Novosibirsk: Novosibirsk State Technical University, 2021. - P. 239-243.
74. Salnikov, E. E. Sewage Treatment Facilities For The Working Settlement "Suzun" / E. E. Salnikov, A. A. Kolesnikova, G. T. Ambrosova // Intellectual potential of Siberia: Collection of scientific papers of the 29th Regional scientific student conference dedicated to the Year of Science and Technology in Russia. In 5 parts, Novosibirsk, May 17–21, 2021 / Edited by D.O. Sokolova. Volume Part 5. - Novosibirsk: Novosibirsk State Technical University, 2021. - P. 409-414.
75. Sherboev, T. T. Composting of Sludge From Sewage Treatment Plants / T. T. Sherboev, E. K. Aganicheva, G. T. Ambrosova // Intellectual potential of Siberia: Collection of scientific papers of the 29th Regional Scientific Student Conference dedicated to the Year Science And Technology in Russia. In 5 parts, Novosibirsk, May 17–21, 2021 / Edited by D.O. Sokolova. Volume Part 5. - Novosibirsk: Novosibirsk State Technical University, 2021. - P. 414-418.
76. Kolesnikova, A. A. Treatment of Highly Concentrated Effluents from Food Industry Enterprises in Anaerobic Conditions / A. A. Kolesnikova, E. E. Salnikov, G. T. Ambrosova // Intellectual potential of Siberia: Collection of scientific papers of the 29th Regional Scientific Student conference dedicated to the Year of Science and Technology in Russia. In 5 parts, Novosibirsk, May 17–21, 2021 / Edited by D.O. Sokolova. Volume Part 5. - Novosibirsk: Novosibirsk State Technical University, 2021. - P. 512-517.
77. Kolesnikova, A. A., Salnikov, E. E., and Ambrosova, G. T. Treatment of Highly Concentrated Acidic Effluents of Food Industry Enterprises under Anaerobic Conditions // Proceedings of the

- Novosibirsk State University of Architecture and Civil Engineering (Sibstrin). - 2021. - T. 24, No. 3/4 (81/82). - P. 5-15. – DOI 10.32683/1815-5987-2021-24-81/82-3/4-5-15.
78. Salnikov, E. E., Kolesnikova, A. A., Ambrosova, G. T. Inspection of Sewage Treatment Facilities of Working Settlement / Proceedings of the Novosibirsk State University of Architecture and Civil Engineering (Sibstrin). - 2021. - T. 24, No. 3/4 (81/82). - S. 59-72. – DOI 10.32683/1815-5987-2021-24-81/82-3/4-59-72.
 79. Kruglikova, A. V. Processes of Heat and Mass Transfer Between Waste Liquid and the Environment / A. V. Kruglikova, G. T. Ambrosova, T. A. Rafalskaya // Construction and technogenic safety. - 2021. - No. 23(75). – S. 59-66.
 80. Aganicheva, E.K. Composting of Urban Sewage Sludge / E.K. Aganicheva, G.T. Ambrosova // Ecology. Risk. Security: Proceedings of the All-Russian Scientific and Practical Conference, Kurgan, October 29–30, 2020. - Kurgan: Kurgan State University, 2020. - P. 17-20.
 81. Aganicheva, E. K. Comparative Analysis of Methods for Processing, Dehydration And Disposal of Urban Sewage Sludge / E. K. Aganicheva, G. T. Ambrosova, T. T. Sherboev // Ecology and life safety: collection of articles of the XX International Scientific -practical conference, Penza, December 14–15, 2020. - Penza: Penza State Agrarian University, 2020. - Ph. 3-8.
 82. Aganicheva, E. K. Comparative Analysis of Methods of Treatment, Dehydration And Disposal of Urban Sewage Sludge / E. K. Aganicheva, G. T. Ambrosova, T. T. Sherboev // Ecology and life safety: collection of articles of the XX International Scientific -practical conference, Penza, December 14–15, 2020. - Penza: Penza State Agrarian University, 2020. - P. 3-8.
 83. Kozlov, P. E. Results of The Study of Sewage Treatment Facilities in the Cities of Gubkinsky and Muravlenko of the Yamalo-Nenets Autonomous Okrug / P. E. Kozlov, E. E. Latysh, G. T. Ambrosova // Intellectual potential of Siberia: materials of the 28th Regional scientific student conference: in 3 parts, Novosibirsk, May 13–22, 2020 / Ed. ed. Sokolova D.O.. Volume Part 2. - Novosibirsk: Novosibirsk State Technical University, 2020. - P. 164-165.
 84. Zinovieva, R. S. Improvement of the Sewerage System of the City Of Seversk, Tomsk Region / R. S. Zinovieva, A. N. Lapteva, G. T. Ambrosova // Intellectual potential of Siberia: materials of the 28th Regional scientific student conference: in 3 parts, Novosibirsk, May 13–22, 2020 / Under. ed. Sokolova D.O.. Volume Part 2. - Novosibirsk: Novosibirsk State Technical University, 2020. - Pp. 166-167.
 85. Tikhonova, D. V. Using the Results of Research to Select the Technology of Sewage Treatment Facilities for Cities and Workers' Settlements of the Novosibirsk Region / D. V. Tikhonova, E. I. Yakovleva, G. T. Ambrosova // Intellectual potential of Siberia: materials 28- th Regional Scientific Student Conference: in 3 parts, Novosibirsk, May 13–22, 2020 / Ed. ed. Sokolova D.O.. Volume Part 2. - Novosibirsk: Novosibirsk State Technical University, 2020. - P. 170-172.
 86. Ambrosova, G. T. Directions for Improving Compact Installations for the Treatment of Domestic Wastewater / G. T. Ambrosova, D. V. Tikhonova, E. I. Yakovleva // Environmental, industrial and energy security - 2019: Collection of articles based on the International Scientific and Practical Conference, Sevastopol, September 23–26, 2019 / Edited by L.I. Lukina, N.V. Lyamina. - Sevastopol: Federal State Autonomous Educational Institution of Higher Education "Sevastopol State University", 2019. - P. 141-146.
